To the Memory of Grandpa and Grandma.

There are two newly made mounds in Chestnut Ridge cemetery in which lie the remains of Dr. John Stevens Wolf and his lifelong comrade, Mrs. Elizabeth Hudgens Wolf. Grandpa went to that home that was prepared for him on the morn of Sept. 18, 1915, and nearly three months later, Dec. 15th, 1915, Grandma went to be with him.

Grandpa was 89 years old and grandma was 79 years old. She was 10 years younger. Grandpa and Grandma have been married for 58 years which is about the average life of the human race today. They were the parents of 14 children. Two of them died in their infancy. Six sons and six daughters reached their manhood and womanhood. But one of the daughters have crossed over the river and is resting under the shade of the trees with her Master, whom she trusted in. Grandpa and Grandma have 48 grandchildren and 13 great-grandchildren. Grandpa was a member of Shiloh Methodist church of which he helped to establish. He was a man that took great pride in serving his Master. Grandma was a member of Chestnut Ridge Baptist church of which she was a good and faithful worker. Grandpa and Grandma were ever ready to help any one in any way that they could. They lived a long time at their old home place near Shiloh commonly known as Alpha. 'Tis a sad sight to look upon the old home where they spent so many happy hours together and to think that their footsteps will never be heard again on the earth where they once trod. Grandma always tried to comfort all that she saw in sorrow or bereavement. Grandpa has rode over this country practicing medicine more than any other man living today. He rode his faithful horse Flora. He did a great deal of charity practice. We have entered their home at Laurens and found them reading the family Bible and communing with the only true God together. They were perfectly ready to answer the roll call. They said that they were ready and willing to die and go to dwell with their Lord and Master, Jesus Christ, in whom they put all of their trust. What a happy thought it is to think of the two life-long comrades crossing over the river together and dwelling in that city that was built not by man but by God Almighty. If everybody were prepared like they were, there would be no such thing as a hell. It is much better to be prepared to go home when you are called than it is to be unprepared. We do not know when death is going to knock at our door. It is a true saying that we know not today what tomorrow will be.

TO KEEP UP WORK.

Though Ford Has Had to Quit, Others Will Stand by Flag.

Stockholm, Dec. 21.—On account of his serious illness, Henry Ford has been compelled to abandon his trip. The remaining members of the expedition will continue on to Copenhagen and The Hague with the idea of carrying out Mr. Ford's original plan for a permanent arbitration board. The committee has issued the following:

"The illness of Mr. Ford, while not dangerous is serious. His doctor asserts confidently that there is no organic disease, but that there is urgent need for rest. The doctor is hopeful that the relief from responsibility for the expedition will speedily restore him to normal health."

Before leaving the party, Mr. Ford said:

"If I am well enough, I will surely join the expedition later. I am confident it will continue the same without me and that it will do much toward bringing peace."

The absence of Mr. Ford has caused serious regret among the delegates, as the impression seems to prevail that it will detract materially from the prospects of the expedition.

While in Christiania Mr. Ford was obliged to remain constantly in his hotel and his non-appearance caused much disappointment to the throng of Norwegians at the meeting and to the many who gathered in front of his stopping place. His seclusion was commented upon by the local press.

A message has been sent to William J. Bryan urging him to come to Europe and join the party.

FORD RETURNING, LEAVES FRIENDS

Forced to Abandon His Peace Trip. Others to Continue.

Christiania, Norway, Dec. 21 (via London).—The Norwegian liner Gergensfjord with Henry Ford on board sailed for New York this morning. Mr. Ford stated before leaving Bergen that the peace expedition would continue under the auspices of the Women's International Peace association. The Rev. Samuel S. Marquis, dean of St. Paul's Cathedral, Detroit, sailed from Bergen with Mr. Ford.

Before leaving Christiania for Bergen Mr. Ford wrote out the following statement for the press:

"I am satisfied with what has been accomplished in Christiania. Peace has been given publicity. Newspapers have power to end the war, for it is through publicity that the gospel of peace is spread.

"Norway is like every other country. The people are all right."

In announcing at Bergen the circumstances under which the expedition would be continued, Mr. Ford said a committee had been appointed to act as leaders. It consists of Judge Ben Lindsay of Denver, the Rev. Dr. Jenkin Lloyd Jones of Chicago, John Barry of San Francisco, Lieut. Gov. Andrew J. Bethea of South Carolina and Louis F. Lockner of Chicago, Mr. Ford's secretary.

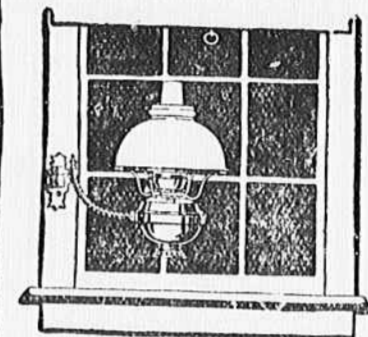

Don't Suffer---Laugh At Stomach Misery

It is an unusual thing for a druggist to sell medicine under a guarantee to refund the money if it does not cure. Yet this is the way the Laurens Drug Co., the popular druggists are selling Mi-o-na, the standard dyspepsia remedy.

Never before have they had so large a number of customers tell them that a medicine has been successful as with Mi-o-na. People who a few months ago looked like walking skeletons have put on flesh and today are ruddy and vigorous with perfect digestion and good health.

There is no longer any need for anyone suffering or making their friends suffer on account of dyspepsia. Mi-o-na can always be relied upon. The percentage of cures is so great that there is little risk to the Laurens Drug Co. in guaranteeing to return the money if the medicine does not relieve. And they stand ready to do so without any questions.

Headaches, all forms of indigestion, specks before the eyes, dizzy feelings, and all forms of liver trouble are helped by Mi-o-na. A few days' treatment should show considerable gain in health while a complete cure often follows rapidly.
